Child HELP Foundation and Autism Delaware "Partnership"

Dr. Donald Parks (left), President-elect and Dr. Basilio N. Bautista (right), Founder and President of the Child HELP Foundation present a \$500.00 check to Theda Ellis, Executive Director of Autism Delaware on November 12, 2009. The check is the initial donation of the Foundation as a Gold member of the Founders for Autism Delaware's new Milford Office, which it supports. The Founders Circle is

specifically developed to support the presence of Autism Delaware in Kent and Sussex Counties and to ensure that individuals with autism and their families have an advocate and services across the state and across the lifespan.

Child HELP Foundation is a non-profit charitable community organization created to promote extended health care, special education and social programs to enhance the quality of life, develop and fulfill the potential of children with disabilities.

The Foundation is dedicated to providing humanitarian support for children through financial grants to qualified not for profit organizations that serve them in Kent County, Delaware.
