

Autumn Auction for Autism

What makes the Auction such a success? The Silent Auction Items!

Autism Delaware counts on volunteers like you to solicit donations of items to feature in the silent auction. We'll provide the packets and advice on how to request items so you can go out and ask friends, family, or your favorite local haunts for donations.

Popular items include:

Wine and liquor

Unique jewelry or artwork

Tickets or admission to local events, museums and attractions

Gift certificates for restaurants, hotel-stays, and spas

Services like lawn care and haircuts

Unusual items, such as autographed memorabilia or handcrafted items that people cannot easily acquire for themselves, are also popular. Be creative! Could someone you know donate a week at a vacation home? Is your cousin a professional chef?

You can pick up auction packets, including instructions and donation sheets, from the Autism Delaware office at the following address:

924 Old Harmony Road, Suite 201, Newark, DE 19713.

If you are unable to get to the office to pick up a packet, you can call the office at 302-224-6020, and we'll mail them to you.

Please call Silent Auction Chair Betsy Gray (302-256-0013), or Kim Siegel at the Autism Delaware office if you have any questions. Thank you!
