

About Autism Delaware

Autism Delaware was started in 1998 by a group of Delaware families who shared the common experience of autism. The group soon realized that by working together they could provide much-needed service and support to Delaware's autism community and have a much stronger voice in Dover, in the classroom, and wherever else advocacy for the autism community is needed.

Today, thanks to our dedicated volunteers, talented staff, and generous supporters, Autism Delaware has grown to become a strong advocate for the autism community and provides services, resources, and support, such as:

- * Information and referral
- * Parent mentoring and support
- * Speakers and conferences
- * Family and teen social opportunities
- * A newsletter, listserve, and website
- * POW&R (Productive Opportunities for Work & Recreation) for adults
- * Public awareness campaigns
- * Financial assistance for parents and educators to advance their skills and knowledge.

*Every gift is deeply appreciated.
Autism Delaware is a 501(c)(3) nonprofit organization and all donations are tax-deductible to the extent permitted by law.*

About Autism

Autism is a complex developmental disability that affects communication and social skills. According to the CDC's 2007 estimates, autism spectrum disorders occur in as many as 1 in every 150 births, and are diagnosed in 1 in 94 boys. This is up from 1 in 2,500 births in 1995.

Autism spectrum disorders include classic autism as well as Asperger's Syndrome and Pervasive Developmental Disorder Not Otherwise Specified (PDD-NOS). While early intervention and ongoing treatment and supports can result in significant improvements, the disorder will last a lifetime, affecting not only the person with autism but the people who love them.

What is the Founders' Campaign?

The Southern Office Founders' Campaign is a three- year initiative to raise money to establish the southern office of Autism Delaware and build a strong foundation for Autism Delaware's programs and services. This office is part of Autism Delaware's commitment to be a truly statewide agency.

Joining the Founders' Campaign means making a multi-year financial commitment to Autism Delaware. Founders make a pledge of at least \$100 per year for at least three years just to support this project. Founders will automatically be enrolled as members of Autism Delaware each year they fulfill their pledge. Read on to see what your pledge will accomplish.

Autism Delaware serves families and people of all ages who are affected by autism.

Autism Delaware's mission is to improve the lives of people with autism and their families. We will educate, advocate and raise public awareness in order to promote lifelong opportunity and community acceptance for people with autism.

What Is The Goal of The Founders' Campaign?

Autism Delaware aims to offer services in Kent and Sussex Counties which match those in New Castle County so that we are a truly local resource to people and families affected by autism and professionals. We see a day when a full-time southern office provides:

- parent mentoring and support
- educational opportunities for families and professionals
- information and referral services to local providers and resources
- family and individual recreation
- social skills education
- adult vocational services
- a presence and advocacy in schools

To get to that vision from our current part-time home office will take significant financial investment to secure office and program space, more staff, supplies, furnishings, and technology. It will also take careful planning by the Board of Directors, who will be advised by local volunteers with Autism Delaware's Southern Delaware Founders' Circle.

By becoming a member of the Founders' Campaign, you will bring us not one but two steps closer to this goal because the Bank of America Client Foundation will match what we raise for this project up to a certain amount each year through December 2011. To prove the sustainability of the southern office, it is our goal to raise all of the matching funds from local donors and initiatives such as the Founders' Campaign.

Yes! I Want to Join The Founders' Campaign!

- ___Gold Founder: \$500/year and up
- Silver Founder benefits PLUS
 - Recognition at Autism Delaware's annual meeting
 - Invitation to annual volunteer dinner
